

Web Japan

Web Japan, a Premier Online Source of Information on Japan and the Japanese
<http://web-japan.org/kidsweb/index.html>

A cool site for exploring Japan virtually.

Kids Web Japan provides fun content that helps children learn about Japan and the Japanese.

The site is widely used in elementary and middle school classrooms around the world as a learning material.

Here is a look at just a small part of what Kids Web Japan has to offer.

What's Cool

<http://web-japan.org/kidsweb/cool/index.html>

What are the biggest fads among Japanese middle school students these days? Who are some of their favorite stars? You can keep up with all the hottest trends in Japan by clicking to these links.

Virtual Culture

Japan has a rich cultural tradition, and many pastimes have been handed down from one generation to the next. Some of the most popular ones are introduced here, and they are set up so that you can actually "try them out" online.

Hi-tech
