A colorful bordered haramaki.

This winter, stylish and colorful belly warmers known as haramaki are making their way onto the waists of young Japanese men, bringing this traditional garment to the forefront of fashion.
Trends in Furisode

The Festive Face of Japan’s Kimono Tradition

Traditionally worn for weddings and other formal occasions, the colorful long-sleeved *furisode* kimono has begun to incorporate the influence of Western-style clothing and has become key to passing on the rich tradition of kimono to the next generation of Japanese young women.

A yellow obi sash catches the eye, setting off the fashionable green of this young Japanese woman’s *furisode*.

A touch of red in the hair sets off the vivid colors of this *furisode*.

The chic colors give this outfit a grownup look.

Stoles have become a firm fashion favorite with young Japanese men. The neck garments are available in a wide variety of materials—from versatile, year-round cotton to wool for the colder months and silk and cashmere for formal occasions.

One of the attractions is the ease with which stoles can bring sophistication to even the simplest jeans-and-T-shirt outfit. Available at budget fashion stores and other outlets for reasonable prices, stoles are highly popular as affordable accessory items.
Japanese Winter Fashions

Colorful, Unique Styles Liven Up the Winter Scene

Popular fashions this winter incorporate colorful accessories and multiple layers to create an individualized look. Cozy boas, fake fur outerwear and wraps, and retro Nordic-pattern knits are all popular.
